MEMORANDUM FOR THE SPECIAL GROUP

**SUBJECT: Addendum to Minutes of Meeting of the Special Group,
17 May 1962**

10. NSC 5412/2

25X1 [] reported that in the course of briefing a sub-
committee of the President's Foreign Intelligence Advisory Board,
with Dr. Killian present, he had said that the Special Group feels
that NSC 5412/2 does not require revision at this time, and that
25X1 he had explained the reasons for reaching this conclusion. Mr.
[] added that the Special Group had also concurred in the
statement expressed in Mr. McCone's interim reply to General
Recommendation number 5 of the 20 January 1962 report to the
President by the FIAA, to the effect that the paper as now written
adequately insures that the chiefs of U.S. missions abroad are
kept informed of covert operations.
